

DIGITAL FREEDOM IN EDUCATION AND YOUTH

South West

Who are we?

DFEY – Digital Freedom in Education and Youth – is a group founded to encourage schools to offer free (as in liberty) software along side proprietary software in schools

Who can join ?

Open to all young people aged 11 – 19 years old. Regardless of technical ability, DFEY aims to bring people who are interested in subjects such as :-

- free software
- GNU/Linux
- Digital freedom

For more information :-

Please contact team@dfey.org

The main DFEY website is <http://www.dfey.org>. From here you can sign up to the general discussion list.

Other contact details :-

We also have our own chat room, to find this please go to <http://webchat.freenode.net> enter an appropriate nickname in the first box and #dfey in the channel box and click connect.

You are advised to follow web chat room safety guidelines,
<http://www.thinkuknow.org>

The group is indirectly supported by the Devon and Cornwall Linux user group.
